A Different *Twist*

At last, as August drew to a close, the 1996-97 school year rolled in with *A Different Twist*. McKendree has grown and changed since the last year. This year gives witness to different faces and new places. We will participate in different activities and take part in different lives. All in all, the changes have been eagerly awaited. The *McKendreean* has captured the many changes that have given this year *A Different Twist*.

Family Fall Festival

The Fall Festival took place on Saturday October 12, 1996. Activities took place from 10:00 a.m. to 5:00 p.m.

Activities started off with a fifties style lunch at 11:00 a.m. "Car Hops" served chili dogs, hamburgers, onion rings, French fries, and shakes. The "Return Bowl" took place at 1:30 p.m. on Leemon Field. After the game, activities consisted of: the bungee run, "Bouncy Boxing", velcro olympics, Sumo wrestling, and more.

Return Bowl

The Return Bowl took place on October 12. It represented the return of a football team to McKendree and Westminster. McKendree had been without a team for 45 years. Westminster had been without a team for 65 years.

During the post game activities, an engraved silver plated bowl (the "Victory Bowl") was presented to head coach Carl Poelker and the team captains. The "Victory Bowl" will be passed on between McKendree and Westminster each year.

The game ball was carried onto the field by a skydiver. The game started with a McKendree kickoff that lasted almost five minutes. Freshman Donald Brooks "capped" a 44 yard drive with a four yard touchdown to give the Bearcats the lead.

At halftime the Bearcats and the Westminster Blue Jays were tied 6-6. One of the halftime activities consisted of a ceremony to salute nine McKendree alumni who played football before 1951.

During the third quarter, Westminster controlled the ball. Excitement filled the air toward the end of the third quarter. With 34 seconds remaining, McKendree quarterback Jason Karnes assisted Brett Gross on a 25 yard pass play. The Bearcats made a two point conversion, putting them in the lead with a score of 14-6.

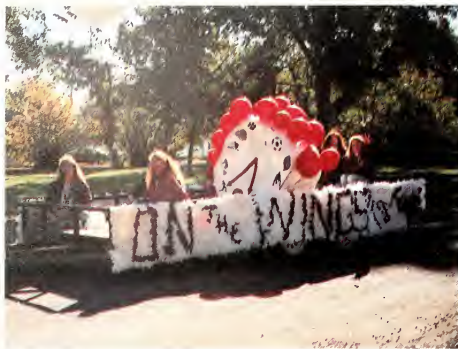

During the fourth quarter, Karnes and Gross continued to make successful plays. After the next touchdown, Freshman Ryan Wells' kick put McKendree at a 21-6 lead.

The Bearcats totaled 21 first downs. They carried the ball 56 times for 214 yards, and the defense dropped the Blue Jays behind the line of scrimmage six times for 37 yards. Other notable players who led the team to their first victory of the year were: Rory O'Connell, Donald Brooks, and Mike Garavalia.

The final score was 27-15

Homecoming Activities

The day of homecoming got off to a good start with a parade at 10:00 a.m. The parade began at the Bearcat Gym parking lot and went through downtown Lebanon.

The women's and men's soccer teams both played the University of Missouri at Rolla. The women played at 10:00 a.m. and suffered a 0-3 loss. The men played at noon and won 3-1.

At 2:00 p.m. the football game against Blackburn College took place at Leemon Field. The Bearcats earned their second victory of the year. The score was 19-0.

Homecoming Dance

The Homecoming Dance was held on October 19. Excitement filled the air as students, friends, and faculty gathered together at Embassy Suites on the landing in St. Louis. This year's theme was: "On the Wings of Time."

Dinner was served at 7:00 p.m. People ate either London broil or chicken sherry and corn, potato, Caesar salad, and cheesecake for dessert. As dinner was being served, everyone talked, laughed, and waited for the arrival of the court.

The coronation began at 8:30 p.m. The court was introduced starting from freshman attendants to the senior attendants. Then, what everyone was waiting for was finally here. The envelope was opened and it read: "This year's Homecoming King and Queen are Marcus Prewitt and Natalie Van Rossum!" Last year's Homecoming King and Queen Toby Harms and Tina Scaturro-Caruso crowned the new king and queen.

At 9:00 p.m. the music and dancing started. As the night drew to a close, everyone remembered the fabulous attire, the elegant food, and the laughs and smiles that were seen throughout the night. Everyone was swept away "On the Wings of Time."

NSO Activities

NSO stands for New Student Orientation. NSO activities took place from Saturday, August 24th to Tuesday, August 27th for incoming freshmen. The coordinators of this year's NSO program were Tricia Spotanski and Jeff Dunbar. The activities ranged from a play written by McKendree student Shannon Stueber, to a bus trip to Six Flags.

After loading up the car and moving into the rooms, the students and their parents ate lunch at MPCC. Then the students went to an icebreaker session in Bearcat Gym, while their parents were at an informational meeting. After eating a barbecue dinner on upper campus, the students and parents said their goodbyes. That night there was a dance held at the Quad where the students were "decked out" in neon paraphernalia.

Sunday, August 25th, the charter buses left for a day of fun at Six Flags Amusement Park. On the way to Six Flags the buses gave a brief tour of downtown St. Louis.

The following day, some students participated in "Into the Streets", a community service activity. The students were broken up into groups and sent off to different locations. The volunteers went to Lebanon Terrace, Emerald Garden Nursing Home, and St. Joseph Catholic church. Some cleaned up the campus. Later on that night the Lair hosted The Harley Newman Show.

Tuesday, August 27th, the students took a tour of the campus in the afternoon. Later in the day, "Windfire," a special concert by the Fine Arts and Entertainment Series, took place. A Mexican dinner on the President's lawn wrapped up the successful four day NSO program.

NEW ADDITIONS

There has been many new additions to McKendree in the last year, which have given the students a better campus and given the campus more publicity. The additions range from sports to residential housing.

The main department in which additions were made was in the athletic department. New sports brought in many new students, including the largest freshman class at McKendree. Football TV coverage gave the campus more publicity.

With more sports at the college, there was a need for other additions. Leemon Field was built for the football and track teams. The new field includes the football field, exterior track, concession stand, press box, and grandstand.

A fitness center was also added this year. The facility contains multi-purpose locker rooms, showers, storage areas for athletes and coaching staff, an accessible weight room and an all-purpose faculty room.

As more students were added to the McKendree population, more student housing was needed. Modulares were set up between the suites and the fitness center to house up to 42 students. McKendree also leased out the apartments overlooking the Locust Hills Golf Course about a half a mile west of the main campus. Known as "McKendree West," they house 140 upperclassmen in approximately 36 apartments. A fourth building is being added and will be ready by fall.

In addition, many buildings have been remodeled including the physical plant and maintenance building. A 2,200 square foot addition to the Melvin Price Convocation Center provided new offices for coaches.

These new additions were seen by the community as a good thing, even though they caused some controversy between students and departments. Some students felt that more classrooms or renovations to the old classrooms needed to be the main focus instead of the sporting facilities. Some departments felt that the athletic department got too much attention and that the school should have treated all departments equally.

A big argument between the students erupted toward the middle of the year. Some students involved in the performing arts department argued that the school should have fixed Eisenmayer Auditorium and not spent as much money on the athletic department. The athletic department students argued that since their department grew in size and provided more publicity for the campus, it was only right that they get the proper facilities.

Many opinions were heard that helped the student body realize how bad the old theater was. One football player commented about Eisenmayer after seeing the spring musical: "I never realized how bad the theater was. Now I understand why the performing arts department wants the theater fixed." Many students who argued against the performing arts department's wishes had not even seen the theater. Viewing it, however, might have eliminated some of the controversy.

WEST SIDE STORY

The McKendree Concert Choir performed "West Side Story" on April 17, 18, 19, 20, 25, and 26. "West Side Story" is known as the modern-day "Romeo and Juliet". Two rival gangs: the Jets (the American teens) and the Sharks (the Puerto Rican teens) fight to stake out their territory on the west side of Manhattan, in the 1950's. The story centers around the ill-fated love between Maria (the sister of the Shark's leader) and Tony (a Jet) who try to put their cultural differences aside.

WOMEN'S SOCCER

Taking the ball to the goal.

This season for the McKendree women's soccer team proved to be a challenging one. The Lady Bearcats tied with Kansas Newman College in the Missouri Valley Tournament, but later lost 3-1 against Westmar. The women gained valuable experience from both veteran as well as new players. They practiced and played in rain and heat, which added to their stamina.

Trying to concentrate on the play.

Coach Black gives the team a winning strategy.

The first cross country team ever to reach McKendree arrived this year. The young and new team dashed into what turned out to be a very promising year. The women and men both placed first and second in all events.

This strong, new team sent three athletes to All-American status in the NAIA indoor track and field competition. These All-American students were Sara Korir, Jackson Makene, and Patrick Rono.

BEARCATS, PUT THE BALL IN P-L-A-Y...

These were the words heard as the McKendree basketball games began. The men's basketball team started out strong and kept the fans on an emotional roller coaster. When the team ended the season with a record of 28 wins and 9 losses, it was the overtimes, the bad calls, and the slam dunks that kept the fans at high pitch.

Team members who provided the roller coaster of emotions included senior center Marcus Prewitt, who was top rebounder with 205 rebounds. Jason Schneider, a senior guard, was top defensive player with 52 steals. Chad Mills, also a senior guard, was top free throw shooter at 83%, while Marty Adams was named most valuable player.

TEAM

SPIRIT

GO TEAM!

ON THE FAST TRACK

For the first time in the history of McKendree College, a track and field team was born. Seven collegiate track and field teams from Illinois and Missouri competed in the first annual McKendree Track and Field Open. On this day, records were set, memories were made, and dreams were realized.

Coach Gary White and his 40 athletes produced 18 first place spots, winning 215 points in the women's events and 165 points in the men's. Three McKendree athletes gained All-American status in NAIA indoor track and field competition: Sarah Korir, Jackson Makene, and Patrick Rono.

Jana Fischer concentrates for her final throw in the javelin.

Kim Perkins gives her all.

The team takes a victory lap for its overall first place win.

Timers, take your mark!

James Seay lends a shoulder to Rod Fisher.

McKendree strives hard to pass its opponents.

Preparing for the exchange.

Jeremy Hayes takes a step for his throw.

Yearbook staff member and copy writer, Andrea Kowzan.

Assistant editor, Jennifer Heitman, and editor, Kawanna Tate.

So much to do to produce a yearbook!

1997 McKendree Yearbook Staff

"Producing the yearbook has been a most exciting, yet difficult, challenge. Working with a staff of only two others, we have tried to cover McKendree life that revealed what we saw and considered as *A Different Twist*. Special thanks to Jennifer and Andrea for their work and dedication; to Lucy Conner, our yearbook representative; and to Jeni Wise of Student Affairs."

Kawanna Tate, Yearbook Editor

Colophon

A Different Twist was printed by Herff Jones Yearbooks at its plant in Marceline, Missouri. The antique red Geo Embossed cover was designed by the staff using a black silkscreen and the McKendree seal in gold foil. The maize endsheet was recycled paper. The 9 x 12 book consisted of 100 pages printed on 80# Bordeaux paper. There was one signature of Vintage color. In addition, a 16-page color world-in-review minimag was sewn between the second and third signatures. Pages were submitted using IBM/PC computers, PageMaker 5.0, and Herff Jones' software templates: The Gallery, Portfolio, TypeMaster, and PageMaster. Times and Lucida Calligraphy fonts were used. Press run was 150 copies.
